To Whom It May Concern:

Brad Tompkins has been an employee of the Rockwall Independent School District since September 2000. It is a pleasure to recommend him for a position with your organization.

By my observations as an employee of Rockwall Independent School District, Mr. Tompkins has demonstrated a strong work ethic. He displays good work habits, presents a professional manner with staff, and is neat in his appearance. He seems eager to learn new skills and is happy to share them with co-workers. He has an agreeable personality and relates well with school personnel.

I know that Mr. Tompkins has a strong knowledge of Information Technology and Information Systems. He has a true love of education and helping others. Mr. Tompkins is truly one of those unique individuals who easily communicates a deep knowledge of technology, but also relates well with non-technology people, adjusting his communication style to make complex ideas easy to understand.

Such a knowledgeable, solutions-oriented individual will contribute greatly to the efficiency of any organization.

Sincerely,

James E. Parker, Ed.D.
